

The North American Soccer League

1977

THERE was a slight decline in membership for the 1977 NASL season from 20 clubs down to 18. Boston dropped out of the League as did Philadelphia, and a number of franchises moved. Among them were San Antonio Thunder who crossed the Pacific Ocean to locate in Hawaii. The other moves saw the San Diego team relocated in the gambling centre of Las Vegas and the Miami Toros move up the coast to become Fort Lauderdale Strikers. One less noticeable took place in the state of Connecticut where the Hartford Bi-Centennials became the Connecticut Bi-Centennials and moved from Hartford to New Haven.

During this season the NASL introduced its highly-controversial shoot-out procedure to replace the internationally accepted penalty-kick shoot-out that had been in use. Under the new system games ending in a tie continued to go to 15 minutes of sudden-death overtime. However, if still tied at the end of 105 minutes the new shoot-out procedure came into effect.

Under this system a player started with the ball on the 35-yard line and went one-on-one with the goalkeeper with the goalkeeper allowed to move off his line. The attacking player had five seconds in which to score.

Games decided by this new method are shown by an asterisk (*). Games decided in sudden-death overtime are shown by a plus sign (+). Teams continued to be awarded six points for a win.

The most significant new name to appear on an NASL roster in 1977 was that of former West German captain Franz Beckenbauer. Beckenbauer joined New York Cosmos from Bayern Munich and along with Pelé and Chinaglia was instrumental in leading the club to its second NASL championship. Cosmos also added former Brazilian captain Carlos Alberto to an already star-studded team.

Playing in goal for the new Fort Lauderdale Strikers in this season was England international goalkeeper Gordon Banks, while Scottish international Charlie Cooke donned a Los Angeles sweater.

Included in the line up of the Rochester Lancers for seven games was Artur Jorge. The name meant little to most people at that time but Jorge went on to coach Portuguese champions Porto to the European Cup in 1987.

A black and white portrait of a young man with voluminous, curly hair. He is looking slightly to his left with a neutral expression. He is wearing a dark-colored soccer jersey with a white collar. On the left chest is a small circular logo, and on the right chest, the letters "USA" are printed in a large, bold, sans-serif font. The background is dark and out of focus.
