NOTES:

1. Not sure about the appearances of Marcel and Norbert Collas of Tongeren as the source did not differentiate. The same applies for Jean and Albert Oyen of Diest (in very few cases) and Guido and Jozef van de Weyer of Turnhout (in few cases).
2. At 6th round, at the starting line up of VG Oostende, 10 players are indicated instead of 11. Therefore the total starting line up sum of appearances is 329 instead of 330.
3. Boom used the fewer players (18) while Eupen used, at the other extreme, 28.
4. More yellow cards for Berchem -29 and more yellow cards for an individual player -8 for Rik Van Mechelen of the same club.
5. The team with more substitutions is Diest with 54 out of the possible 60 and the team with the fewer is Berchem with 18.
6. Three players had the biggest number of appearances as substitutions -10 J-M Vromen of Patro, Bozidar Ban of La Louviere and Jan Wetzels of Tongeren.
7. Top Scorers:
 1. Patrick Gorez - La Louviere 16/27 (goals/appearances) + 3/6 (playoffs)
 2. Stany Leghalt - USG 14/27 + 1/6
 3. Heinz Schonberger - Rac. Mechelen 14/29
 4. Augusto Riveros - Diest 13/28
 5. Detlef Webers - Eupen 13/28
 6. Ludo Beckers - STVV 12/30
 7. Hans Schoning - Rac. Mechelen 12/30
 8. Ludo Verjans - Berchem 11/29
 9. Francesco Benedito - Gent 11/30
 10. Guy Dardenne - La Louviere 10/30 + 2/6
8. It was a strongly contested championship with the singular circumstance of having three different "champions" in the three periods that divided the 30 rounds.

In the first period, USG and Rac. Mechelen finished at the pole position with 15 points. USG was the winner.

In the second period, La Louviere and Patro Eisden finished with 15 points and La Louviere was the winner.

In the third period, Waterschei THOR and St. Truinden finished with 14 points and THOR was the winner.

All three were eligible to enter the playoffs as none of the three finished at 30th round as champions of the whole division. This accolade went to Boom (39 p.)(who were last year only 13th). Second place went to Patro Eisden.

A test match had to be played between Patro and STVV (both at 35p.) to decide which team would enter the playoffs as second and Patro was victorious.

USG finished at 4th position with 35 points, La Louviere and Rac. Mechelen at 5th with 34 points and THOR at 7th with 33 points.
9. Gent had the best attack (55 goals) and best goal difference (+15) but they were only 8th with 32 points.
10. Best defence by Boom and Berchem (9th position) with 24 goals. Worst defence by Eupen with 63 conceded goals who finished bottom of the table.
11. Worst attack by Montignies Charleroi with 28 goals (10th).
