Notes:

1. 18 players for La Louviere, 29 for Tilleur. La Louviere pretty much used 12 players.
2. Turnhout: Appearances for E. Meeuwes and R. Meeuwes are assumed since in the majority of cases, the source did not differentiate. The same applies (in a smaller degree) for Eddy Maes and R. Maes of St. Niklaas and for H. Bakkali and M. Bakkali (here it is absolutely vague who participates in each game) of Crossing Sch.
3. For Vandersanden, Jacques and Van de Zande, Marcel of Thor Waterschei, there is an ambiguity since their surnames are quite similar and the various contributors in the source tend to write their names in slightly different ways.
4. In the case of USG's Eavau/Favau/Ravaul, there are three appearances and these are the three ways that the name was written. I assume that he is the same player but I could not find any additional info.
5. Total appearances in the case of Tilleur are 329 instead of 330. This is no mistake. In a certain game, there are indicated ten players (one of them two times!)

Top Scorers:

Nickel, Harald (Turnhout)	20 goals
Hoste, Yvan (Tongeren)	18 (+1) goals
Pettersson, Jan (Mons)	17 goals
